

## **A14 Cambridge to Huntingdon, Cambridgeshire: major improvements**

Construction work on the new A14 Cambridge to Huntingdon scheme is underway. We are currently carrying out a variety of tasks for which we need to close lanes or carriageways on the A1, A14 and some local roads at times, usually overnight between 8pm and 6am, unless otherwise stated. A clearly signed diversion route will always be in place for closures.

For this week, the planned closures are:

### Full closures

Monday 5 to Friday 9 (five nights)

- A1 southbound between Alconbury and Brampton Hut

Vehicles will be diverted south on the A14 link road, then east on the A14 to re-join the A1 at Brampton Hut

- A14 eastbound between Ellington junction 20 and Brampton Hut junction 21

Vehicles will be diverted east on the A605 then south on the A1(M) to the A605 to re-join the A14 at junction 21.

- A14 westbound Brampton Hut junction 21 to Ellington junction 20

Vehicles will be diverted north on the A1(M) then travel west on the A605 to re-join the A14 at junction 13

- A14 eastbound St Ives junction 26 to M11 southbound junction 14

Vehicles will be diverted via B1514 Huntingdon Road

Friday 9 9pm to Monday 12 5am
